Business Opportunity

This is an established business which has been trading since 1988 but has been placed on the market as our client wishes to retire.

The business operates from Newburn and covers a radius of circa 40 miles but could effectively trade from any location within the region.

The fleet is varied but comprises 7x cars with capacities for between 4 and 7 persons, all of which are in excellent order.

The current fleet comprises;

- 1x Bramwith Laudaulette (7 seater)
- 1x Austin Princess (7 seater)
- 1x Beauford Tourer (3 seater)
- 2x Regent Convertible (6 seater)
- 1x Badsworth Laudaulette (3 seater)
- 1x Imperial Viscount (7 seater)

There are good levels of bookings in place going forward despite a low level of marketing and promotion.

There is scope and potential for motivated new owners to take this business forward, particularly by embracing social media.

Staff

The business is currently operated by our client with the help of 2 self-employed members of staff.

Premises

The business is currently operated from a unit within Newburn Industrial Estate but could be operated from any location. However, should a new owner want, the current address could be rented or purchased. Full details on application.

Money Laundering Regulations

In accordance with the current Anti-Money Laundering Regulations the Purchaser or Tenant will be required to provide two forms of identification and proof of the source of income.
