Location

The business forms part of a busy secondary shopping area located on Shields Road and within a densely populated residential area to the east of Newcastle. Nearby occupiers include Morrisons Supermarket, Iceland and Greggs. There are also several student blocks in this part of the City which increase the customer base plus ample pull in parking for passing trade and the busy delivery offer.

Business

The business has traded from this site since 2016 and is well known in this part of Newcastle.

The premises comprise a ground floor waiting and collection area together with the open kitchen. The current cuisine is Chinese and the business has built up a strong reputation since commencing trading with excellent reviews via Facebook and on other sites.

The business is part of the JUST and UBER EAT delivery groups and this makes up around 50% of the turnover. The remainder is generated by residents and locally there is a broad cross section which includes students, couples and families.

We see the business as an opportunity for either a couple or a partnership to operate where the staff overheads could be reduced and profits increased.
