Location

The premises are located on the main road running through the popular suburb of Low Fell. This is a sought after residential area with a broad range of residential accommodation and busy secondary shopping area that serves the local population. Tenants include a pleasant mix of small independent shops plus multiples such as Subway, Costa and Co-op Foodstore.

Business Opportunity

A coffee shop has operated from this site for over 10 years but currently only opens to the public one day a week and the rest of the time the space is used as a prep area for the seller's outside catering business. The trading name will not be included and only the lease and fixtures are for sale.

This upper floor space has direct street access via a lobby from Durham Road which leads up to a pleasant dining and service area. The dining room is set out for between 28 and 32 covers with a mixture of tables, chairs and bench seating. The kitchen is compact but well fitted and equipped with a new cooker and extraction canopy.

This site offers genuine potential to motivated new owners and whilst it is currently fitted as a coffee shop, it could be used for a variety of food offers.
