Sales Particulars

Location

This business opportunity is located at the end of a mixed-use terrace at the western end of New Bridge Street, directly opposite the Northumbria University Law Faculty. New Bridge Street is the principal road running from Byker Bridge into the City centre and other nearby occupiers include a bar, a letting agency, a Sainsburys Local and a number of student accommodation blocks.

Business

A coffee shop has traded from this site for well over a decade and the current business has been under the same ownership since 2018. The space was refitted at this time but is now placed on the market as the owners have another business commitment that they wish to turn their attention to.

The premises are configured to provide a seating area on the left as you walk in and the service area on the right for collections and ordering. There is a fully fitted kitchen area at the rear of the property, together with the dry stores.

The current menu is compact and offers a range of hot and cold drinks, breakfasts, sandwiches and light meals. The site would be suitable for a range of other cuisines, but new owners could simply continue the current food and drinks offer whilst considering other menu options.

This is a very well presented and prominently located food opportunity with potential for growth with a fresh hand on approach. Viewing is highly recommended.
