Location

The business is located within a pleasant terrace on Church Street just to the north of St Nicholas Church and close to the main shopping district.

Guisborough is located within the borough of Redcar & Cleveland on the edge of the North Yorkshire Moors and equidistant between Nunthorpe and Saltburn by the Sea. There are good road links in and out of the area and this business has free on street parking directly outside.

Business

This is a long-established traditional fish and chip shop which has been in our clients' ownership since 2019 but is now reluctantly placed on the market due to ill health

The business is located close to the main town centre but in a mixed-use commercial and residential area. The business is not traded hard and there is potential for new owners to drive sales, particularly through the expansion of the menu, trading hours and the introduction of a more extensive delivery service.

This is a rare to the market freehold hot food opportunity and viewing is recommended to appreciate the scope for the business and the living accommodation.
