Sales Particulars

Location

The business and property is situated at the southern end of Front Street in a mixed commercial and residential area, close to the cricket club. Chester le Street is a popular market town located between Newcastle and Durham with excellent road links via the A1(M) and A167.

Business

This is an extremely successful and established restaurant and bar which has been operating from the site for the last 25 years. The business has been placed on the market as the current operator wishes to reduce his commitments.

The premises are in excellent order and the public areas were refurbished in October 2019. Laid out over two floors, the ground floor is configured to provide two separate spaces with a public bar area on the left as you enter and then seating and booths on the right which are designated to diners. On the first floor, with access through the main restaurant, there is another restaurant space which can accommodate up to 60 persons and is ideal for private functions or Sunday lunches. The premises accommodate up to 150 people with a mixture of standing and sitting.

The current menu provides a broad range of meals that include burgers, pizza, pasta and steaks. There are some specials and lunch time offers but there is currently no breakfast or morning coffee offering and this is something new owners could consider. The restaurant has a strong reputation with loyal regulars and high levels of repeat business with approximately 65% of the trade coming from food and the remainder being wet sales. The business trades on relatively short hours by choice and there is huge scope for a new owner to take this business forward.

Viewing is strongly recommended to fully appreciate the location, fit out and potential of this opportunity.
