## Location

This business opportunity is located within a very busy secondary shopping area to the south of Jesmond, adjacent to Jesmond Dene and Armstrong Bridge. There is free parking on the street and access to the parade is straightforward with good road links and bus stops nearby. Jesmond is arguably the most popular suburb of Newcastle with an excellent infrastructure and a pleasant mix of shops and restaurants.

## Business

This business originally operated from home but the owner moved into these premises earlier in 2025. The business has been reluctantly placed on the market as our client is moving abroad due to family work commitments.

Jesmond Aesthetics operates as a traditional beauty salon offering a wide range of non-surgical and beauty treatments. Treatments offered include Mesotherapy, Botox, Microneedling, Dermal Fillers, B12 injections and Skin Boosters. The salon has an excellent reputation with a loyal customer base which comprises 80 active clients. All equipment will be included in the sale and this will include a HIFU machine.

This business is well supported with a high number of local customers and there are strong levels of captive trade. The easy access and free street parking helps any clients travelling from further afield.

The opportunity offers genuine scope for a new owner to grow the business by extending the opening hours and potentially incorporate new treatments.

Business opportunities in Jesmond are relatively rare and Jesmond Aesthetics would allow a motivated new owner to establish themselves in this exclusive part of the City.

## Trading Hours

Currently operated 3 days a week on an appointment only basis.
